Dear _____,

I am a member of the Land O' Lakes High School SADD Club and I am asking for your support for my club membership for the 2022-2023 school year. SADD (Students Against Destructive Decisions) Club is a national nonprofit organization dedicated to the safety and wellness of students by providing the necessary tools to combat issues such as underage drinking, drug use, mental health, driving safety, and teen dating violence, among other various issues.

Our club's mission is to empower students in our community to confront the dangerous risks and pressures they face throughout their daily lives, and guide them in becoming well-equipped with the resources and knowledge to educate others in their communities about these issues.

Each year, members are required to contribute \$25 for participation in the ensemble. This funding covers the simple operating costs of club t-shirts, flyers and outreach materials. Any donation you are willing to make will contribute 100% to my participation in the Land O' Lakes SADD Club.

Thank you so much for your consideration and support as we endeavor to make Land O' Lakes High School a community of students who make healthy decisions not only in the classroom, but in their daily lives.

Thank you,

Please detach and send with a donation to
